21 ANNOUNCE FOR

Seven Enter Free-for-All Campaign in Second District--Humphreys and Johnson Unopposed.

JACKSON, Miss., April 2. (Spl.)—The blowing candidates for congress have sen announced in the various districts (Mississippi: of Mississippi:
First district; E. S. Candler, Jr.
John E. Rankin, J. E. Berry and Wililam P. Stribling.
Second district: Dr. B. G. Lowery, C.
Lee Crum, C. L. Jones, N. E. Wilroy,
Hugh K. Mahon, A. C. Anderson and
S. Joe Owen.
Third district: B. G. Humphreys.
Fourth district: T. U. Sisson, Jeff
Busby.

Third district: B. G. Humphreys. Fourth district: T. U. Sisson. Jeff Busby.
Fifth district: Webb Venable, Ross A. Collins.
Sixth district: Paul Jc. son. Seventh district: Percy. Quin, Hugh V. Wall, W. A. Dickson.
Eighth district: Will Collier.
The first named in each instance is the present incumbent except in the Second district; where Congressman Hubert Stephens has announced his intention of retiring at the expiration of his present term.

It is not likely that there will be any changes in the above list prior to August primaries, at least, that there will not be additional enrics.
Interest will center chiefly in the Second district fight, which promises to be a free-for-all affair. Congressman Stephens is the first member of the state delegation in the lower house to retire since Congressman E. J. Bowers quit in the Sixth district 10 years ago, declaring that he could not afford the financial sacrifice of remaining in congress. His retirement made possible the election of Pat Harrison, who is now serving in the senate.

There will also be considerable interest in the Fifth district race because of the fact that Congressman Venable is being groomed for the senatorial campaign in 1922, and should he be defeated this year by Ross Collins, the former attorney-general, it would of course cripple his chances as a contender in the senatorial fight.

It is not believed that interest will become intense in either of the congressional fights, except in the second district, until congress adjourns and present members of the lower house are enabled to come home and take the stump. And should the adjournment occur prior to the San Francisco convention, the fight over delegates to that gathering will, to a considerable extent, overshadow the congressional battles.
